

PETE MUSWELL

Parliamentary Candidate, Islington South & Finsbury

VOTE for your ISLINGTON-BORN CANDIDATE

OR STICK WITH LABOUR and STAY IGNORED!

Dear Friends, Neighbours and Voters of Islington,

FOR YEARS the **rich, metropolitan elites** have steadily ruined our borough, whilst **career politicians, have almost ruined the Country** by:

- **Bailing out banks** while **pensioners** choose between eating and heating
- **Surrendering our borders, economy and laws** to the **European Union**
- **Dishonesty** on **immigration** and its effects on our **local communities**
- **Schools, NHS, Police and Welfare** stretched to their absolute limits
- **Doctors, Nurses & Teachers** – over-worked, underpaid & exhausted
- **Our youngsters** can't find work or end up in **dead-end, low-paid jobs**
- **Grown-up kids** at home with no prospect of getting their own **housing**
- **Veterans** homeless and working families depending on **food-banks**
- **Over-development** of poor estates leaving posh leafy areas untouched
- **£££BILLIONS sent abroad** – when people need the money **HERE**

When **smug Champagne-Socialist Emily Thornberry** sent this **sneering tweet** (right), she showed her true colours and exposed just what **posh Islington Labour truly** think of ordinary working-class people.

Feeling taken for granted?

LABOUR NO LONGER REPRESENT WORKING PEOPLE. UNDER LABOUR THINGS WILL NEVER CHANGE!

The Brexit vote has already shown us what can be achieved when ordinary people stand united and fight for what they believe in.

So let's **STOP the ROT** and **WORK TOGETHER** to **TAKE BACK CONTROL** of our borough.

Thanks for listening, kind regards,

Pete Muswell

PETE MUSWELL

Parliamentary Candidate, Islington South & Finsbury

VOTE for your **ISLINGTON-BORN CANDIDATE**

OR STICK WITH LABOUR and STAY IGNORED!

I was born in FINSBURY, have lived and worked in Islington my entire life. After college, I joined BT and voted Labour, but quickly saw how the unions called the shots. As a working class lad, I wasn't comfortable voting Tory, so voted Liberal for over 35 years - until BREXIT!

FOUR DECADES of Labour and Liberal mismanagement of our local council, combined with excessive levels of migration, have hurt the **VERY POOREST** people of Britain, the very people **SMUG LABOUR** and Emily Thornberry claim to represent.

As always, it is the poor who have **PAID THE PRICE** for the Metropolitan Elites' dream of open borders and frankly, only one party has been talking common sense and telling the truth from the very outset - **UKIP**.

I am one of the 50,000 Islington people who voted for Brexit, but with one irrelevant **GREEN** and **47 LABOUR COUNCILLORS**, ordinary people have **NO VOICE WHATSOEVER!**

Hardly democratic is it? I am absolutely and emphatically NOT anti-foreigner, I just want to give a **VOICE TO ORDINARY LOCAL PEOPLE** whose genuine heartfelt concerns have been ignored for so long by the Establishment.

MY PRIORITIES

- More affordable housing - with no over-development of our estates
- Housing and school priority for key workers and local people
- A much better deal for our Elderly and Disabled
- A MAJOR crack-down on Gangs, Drugs and especially Knife and Gun Crime
- Education and Training for Jobs within Cyber Security and the Digital Economy
- Firm but fair on migration, with the same rules for all
- Encourage more ordinary people to stand as local councillors in 2018

TOGETHER, last June, we **PUNISHED** the Westminster Elites for surrendering control of our borders, our laws and our independence to the undemocratic EU.

It's time to start punishing them again, for **BETRAYING WORKING PEOPLE**.

If you think you could do a better job than Ms Abbott and Ms Thornberry, why not train to stand as a local ward councillor next year (with me), or even as an MP. (Full training given). They only get paid about £160,000 a year of **OUR MONEY** between them. What a JOKE!

If you don't think they are worth it, then give me a call to **discuss how YOU can support YOUR community.**

As part of my ongoing commitment to help reduce crime by generating well-paid skilled jobs in the digital economy - please visit the following London Technology Week event, where I will be speaking:
